## NEW POLICY REGARDING X-RAYS

As of January 1, 2005, our office we will no longer be able to release X-rays or MRI's. The films must remain at our location as part of your permanent medical record. We will be happy to provide you with a copy of the printed report. If the films are required by another physician or other source, we are able to have copies made at a cost of \$10 for *each* X-ray film and \$15 for *each* MRI film. This will need to be paid in advance and we will need two weeks notice.

Please sign below acknowledging that you have read and understood the information contained herein and that it has been explained to you. We are here to serve YOU, ask any questions you may have and our staff will assist you.
